_____ Final exams and answer keys for each course submitted

_____ Student affidavit that will be used

_____ Student evaluation form

_____ Fee(s) -- see the Distance Education Guidelines for the applicable fees *check payable to KREC*

For Pre-License:

_____ Explanation of proctored final exam procedures.

_____ Attach a copy of the certification document that will be used when the final is conducted by an individual other than the instructor.

_____ Narrative outlining the project that will be required, any necessary forms, and answer key that outlines what the student is required to do.

KREC DISTANCE EDUCATION INFORMATION SHEET

Attach additional sheets, if necessary, to complete your responses.

If you submit multiple courses, using the same medium, only one of these forms is required.

1. Medium:

_____ Internet _____ Webinar _____ Teleconference _____ ITV

2. Explain how the course is designed to ensure that students demonstrate mastery of the content.

3. Describe the activities, exercises, or use of quizzes to assess the students' mastery of the material.

4. Explain the remediation process used to accomplish mastery of the material when specific deficiencies are identified.

5. Explain how interactivity is accomplished in the course design.

6. Describe the hardware and software required by the student and what happens in the event of a hardware or software failure.

7. What technical support is available throughout the program?

8. List days and times that instructors will be available to answer students' questions.

- 9. How will you ensure that the student enrolled in the course is the person doing the work?**

- 10. Explain how final exams will be handled and include copies of the documents used in this process.**

- 11. Explain how the course measures and records that the student has completed the required exercises, achieved mastery of the material, and spent the required amount of time completing the course.**

- 12. List Internet address of reference links if this course is a web-based program.**
